00:00:01.590 --> 00:00:07.910

[A voice is heard] Eh... Now... Quickly, because look what time it is,  
and I'm still here, my poor kids, what might they be doing...

00:00:10.180 --> 00:00:12.940

At any rate, I told them to make sure to eat...

00:00:12.940 --> 00:00:17.935

And not to wait for me, to keep the door closed,  
but you've seen how our boys are.

00:00:17.935 --> 00:00:22.380

So, no, I don't think I'm staying later, well...

00:00:26.360 --> 00:00:29.363

and... I'll finish this and I'll go.

00:00:29.363 --> 00:00:36.328

[Sewing machine sounds]

00:00:36.912 --> 00:00:41.208

So tomorrow I'll come early  
and we'll finish the job.

00:00:45.200 --> 00:00:49.383
